Work Experience

Sixth College Student Peer Advisor

University of California, San Diego   *September 2023 -*

Student peer advisor for Sixth College, working on numerous projects like creating content for the Sixth College Instagram, informative videos for YouTube, compiling comprehensive lists of upcoming quarterly GE courses, and organizing student-focused workshops.

Assistant Sprints Coach

West Hills High School, Santee, CA   *01/2023-05/2023*

I was invited to return to West Hills and assist in coaching sprints because of the responsibility and focus I demonstrated as an athlete. My duties vary from planning and managing training for 50+ athletes to coordinating steps and exchanges for up to five relay teams.

Extracurricular & Volunteer

Undergraduate Research Assistant   *October 2023 -*

Dolphin Cognition Lab

As a research assistant, I engage in daily research setup and equipment maintenance, and manage, upload, and catalog video recordings weekly or as needed, while ensuring efficient video data management.

Visual Design Apprentice

UCSD Design Co   *01/2023-04/2023*

I participated in a 12-week program centered around 9 hands-on assignments focusing on visual, graphic, and brand design, and I learned fundamental techniques in Adobe and Figma.

Cakes4Kids Baker   *October 2020 - Present*

With Cake4Kids, I've created almost 200 total baked goods over 100+ hours, learning to conceptualize large celebratory orders from short requests, plan hours of prep, baking, and delivery on short notice, and communicate with agencies about designated drop-offs.
